He was previously CEO of Towry, an Executive Director at Prudential plc and Chief Executive of Prudential UK & Europe, where he led large-scale, regulated businesses through periods of strategic change and market volatility. Today he focuses on high-growth, technology-driven companies and on supporting boards and founders to scale with discipline and ambition.

Earlier in his career Rob held senior leadership roles at Lloyds Banking Group across insurance and retail banking, giving him hands-on experience of integrating businesses, improving performance and navigating regulatory change. Before joining Lloyds he was a consultant with Boston Consulting Group in the UK, US and Europe, advising large organisations on strategy, transformation and growth. He began his career in building design with Arup after completing an Engineering degree at Emmanuel College, Cambridge, an early grounding in analytical problem-solving and complex systems that has informed his leadership ever since.

He has a long-standing commitment to social impact and community, serving as a Founder Patron and Board Member of WEST Youth Zone in Hammersmith & Fulham (part of the OnSide Youth Zones network). He was previously a Trustee of Age International, a Trustee of the Lloyds Bank Foundation for England and Wales, and Chair of the London Advisory Board of Business in the Community.
